

سوق المباركية - تاريخ الكويت

It displays an architectural chord of its 120-year history. It was .named after the late ruler of Kuwait, Sheikh Mubarak Al-Sabah

The market has gone away, preserving its old engineering character in terms of shops and "shops" with its wooden roofs, and its corridors covered with a glass cover from the heat of the sun in .summer and the airport in winter

Bringing him close to making him the style of the style and the .residents, making him jump from all sides

Under his umbrella, markets are a group of markets that sell all .necessities, as well as restaurants, cafes and lounges
