B- Reading Comprehension (16 Marks)

- Read the following passage carefully, then answer the questions that follow:

16

Mrs Gibson was 82 years old. One day, she was travelling to the USA with her little pet dog "Spotty" inside a pet basket. The flight that day was very crowded. A flight attendant said to her, "I'm very sorry, madam, I'm afraid I have to take your dog and put it at the back of the plane." The old lady didn't argue and gave the basket to the flight attendant.

After an hour, the flight attendant checked on the little dog. She was **horrified** to see that the dog in the basket was dead. She told the pilot. They got an idea. They decided to buy her a different dog to replace the dead one. The flight attendant took a photo of the dog with her phone and sent **it** to her friend in New York to buy the replacement dog. When the plane landed, Mrs Gibson got off the plane and the flight attendant brought her the basket with a new dog in it.

Mrs Gibson looked very quickly into the basket and immediately said, "That's not my dog. Where's my dog? What did you do with little Spotty?"

The flight attendant told Mrs Gibson, "Yes, of course it's your dog. It has the same spots, the same size - it's the same dog."

"No," said Mrs Gibson. "I know it isn't."

"But how do you know? You didn't look at it for very long."

"I know," said Mrs Gibson, "Because my dog was dead when I put him in the basket."
