صفوة معلمي الكويت

14-Composition

Plan and write a report of **two paragraphs** of not less than (**8 sentences**) about ‘’ **Physically Challenged People “** **describing the challenges they face** and **how we can help them.**

These guide words may help you:

(can’t walk- treat – need - ignore - special schools/// wheelchairs- clubs – jobs – salaries - trips)

Physically Challenged People

the challenges they face	**how we can help them**
1- part of the society	1- give them wheelchairs
2- can’t walk, sea, hear	2- special schools
3- look at them badly	3- good education
4- need help	4- simple jobs
5- society ignores them	5- good salaries
6- no special schools	6- focus on their success

Physically challenged people are part of all societies. They are equal to us. They suffer from many challenges. They can’t walk, see or hair. People look at them badly. They always need someone for help. The society ignores them. They don’t have special schools for them. They don’t have special clubs either. They always need our support.

We can help the physically challenged people in many ways. We should give them wheelchairs. We should build the special schools. We should give them good education. It’s important to give them simple jobs. They should have good salaries. It’s a good idea to build them special clubs. We should give special parking places. We should focus on their success. We should treat them well.
