Grade 9 1 - COMPOSITION

“Some people are adventurous. They want to escape the familiar and explore new places”.
Plan and write a report of **two paragraphs** (not less than 12 sentences) about **''an expedition** '' explaining **the preparations for the trip** and **the challenges explorers may face**.
(Your writing should include a topic sentence, supporting details and a conclusion)

The Plan (2 M)

An expedition

the preparations for the trip	the challenges explorers may face
1- very important	1-bad weather
2- choose team members	2- dangerous animals
3- tent and sleep bags	3- phone batteries died
4- food and water	4- got lost
5- phones and cameras	5- disconnected from the world
6- stove and torches	6- run out of food, water
7- first aid kit / insect repellent	7- get injured, ill
8- compass and maps	8- catch fatal infection
9- tell someone	9- walk a long tiring journey

Expeditions are very important in the life of explorers. They have to prepare well before the expedition. They should choose the team members carefully. It’s important to tents and sleep bags. They need enough food and water too. They should take their phones and cameras. They need a stove to cook food. They need torches to give them light at night. It’s important to take a first-aid kit for injured people. They also need a compass and maps of the area. They need to tell someone before they go, just in case of emergencies.

Explorers may face some challenged during their expedition. They may face bad weather like snowstorms, dust storms or tornados. Dangerous animals may attack them. Their phone batteries may die. They can be disconnected from the world around them. They may get lost. They may run out of food and water. They may get injured or become ill suddenly. They may catch a fatal infection. They may walk a very long ad tiring journey. They feel home sickness too.

Grade 9 2 - COMPOSITION

"Despite the dangers that people face on their expeditions, still they have the desire to go on such journeys."

Plan and **write** a report of two paragraphs (not less than12 sentences) about **(Expeditions)** explaining **the qualities of explorers and the dangers of going on expeditions.**

NB: (Your writing should include a topic sentence, supporting details and a conclusion)

Expeditions

the qualities of explorers

1- physically strong, fit
2- strong will and determination
3- well- prepared, self-confident
4- organized and challenged
5- team work (team spirit)
6- excited and motivated
7- curious to go further
8- attention to details
9- well focused, ready for risks

the dangers of going on expeditions

1-bad weather
2- dangerous animals
3- phone batteries died
4- got lost
5- disconnected from the world
6- run out of food, water
7- get injured, ill
8- catch fatal infection
9- walk a long tiring journey

Expeditions are very important in the life of explorers. Explorers must have some qualities. First of all, they must be physically strong and fit. They should have strong will and determination. 4- change ideas
5- spread peace, love and hope
6- discuss problems
7- give useful solutions
8- guide society to better life
9- make better future
10- entertain people

Authors are very important in each society. There are many characteristics of a good author. They should have creative imagination. They should use clear language. They love writing and like their job. Good authors pay attention to the details. They always use strong vocabulary. They should be organized and patient. They use their senses. They are great observers of what's going on around them. They are open to new ideas. They are also creative and think outside the books.

Authors play a great role in the society. They have a big influence on people of all ages. They express useful messages. They give us valuable information. They can change our ideas about certain topics. They can spread peace, love and hope. They discuss our problems. They give us useful and new solutions. They guide our society to a better life. They make the world a better place. They also entertain people.

Grade 9 4 - COMPOSITION

"Voluntary work is necessary in each society as it creates a better world".

Plan and write a report of two paragraphs (not less than 12 sentences) about **"Voluntary Work"** explaining **the ways you can volunteer in your community** and **the benefits you and the community get from volunteering.**

*Your writing should include a topic sentences, supporting details and a conclusion

Voluntary Work

the ways you can volunteer in your community

1- organise cleaning campaigns
2- keep the sea and the beaches clean
3- raise money for the poor.
4- planting more trees
5- educate and support orphans
6- give food to those in need
7- medical supplies and treatment
8- serving disabled people
9- care for the elderly
10- give animals a shelter
11- teach students

the benefits I and the community get from volunteering

1- moral values like mercy and cooperation
2- improve life, learn new skills
3- share responsibility
4- build self-confidence
5- spread hope, love and peace
6- the country doesn't pay for it
7- hold society together
8- create better society
9- raise awareness
10- everyone feels happy

Voluntary work is very important in each society. There are many ways we can volunteer in our community. We can organize cleaning campaigns. We can keep the sea and the beaches clean. We can raise money for the poor. Planting more trees is one way of voluntary work. It's a good idea to educate and support orphans. It's important to give food to those in need. We should also offer medical supplies and treatments to sick people. We can serve the disabled people. We have to care for the elderly. It's useful to give shelter to animals too. We can teach students for free.

There are many benefits we and the community get from volunteering. We learn moral values like mercy and cooperation. We improve our life and learn new skills. We learn to share responsibility. We build our self-confidence. We spread hope, love and peace. The community also gets some benefits. The country doesn't pay for voluntary work. Voluntary work holds the society together. It creates a better society. It raises awareness among citizens. Everyone feels happy too.

Grade 9 5 - COMPOSITION

"A holiday is the time when we are free of our work and duties and when we relax and enjoy our time".

Plan and **write** an e-mail of two paragraphs (not less than 12 sentences) to your friend Hamad telling him about **"A country you'd like to visit "** **give a description of this country and why you chose it for your holiday .**

NB: (Your writing should include a topic sentences, supporting details and a conclusion)

A country I would like to visit

A description of this country (Egypt)

1- located in Africa
2- one million square km
3- cold in winter, hot in summer
4- 100 million people
5- currency, pound
6- religion, Islam
7- touristic country
8- pyramids, temples, The Nile
9- beaches, amazing places
10- Egypt is unique

Why I chose it for my holiday

1. For many reasons
2. historical places
3. the River Nile cruise
4. the pyramids, museums, antiquities
5. good weather
6. friendly and cheerful people
7. shopping, gifts
8. wonderful Red Sea
9. Arabic atmosphere
10. wonderful hotels

Egypt is a nice country. It is located in Africa. It is one million square km. the weather is cold in winter and hot in summer. The population is 110 million people. Most people are Muslims. They speak Arabic. The currency is the Egyptian pound. The religion is Islam.it is a touristic country. It has got the amazing Pyramids, ancient temples, and The Nile. There are also nice sandy beaches and amazing places. Egypt is unique.

I'd like to travel on holiday to Egypt for many reasons. It has got many historical places. You can go on a Nile Cruise. You can visit the Great pyramids, museums and antiquities. You can enjoy the beautiful weather. The people are friendly and cheerful. You can go shopping and buy nice gifts for your friends. You can go diving in the amazing Red Sea. Grade 9 6 - COMPOSITION

"Pollution is a major environmental problem that threatens our life on Earth.".

Plan and write a **report of two paragraphs** (not less than 12 sentences) about **"Pollution"** explaining **the causes of pollution and suggest ways to solve the pollution problem .**

*Your writing should include a topic sentence, supporting details and a conclusion.

Pollution

The causes of air pollution

1- human actions
2- factories emit smoke and fumes
3- wastes from industries
4- cars, buses vehicles
5- fossil fuels cause harm to people
6- toxic gases
7- harm people
8- cleaning products, pesticides
9- fertilizers and painting supplies
10-harmful chemicals

Ways to solve the pollution problem

1-many solutions
2-laws should be imposed
3-factories outside cities
4-green areas
5- electric and hybrid cars
6-plant more trees
7-stop using pesticides
8-renewable energy
9-check car engines regularly
10-face wisely, seriously

Pollution is a serious environmental problem. There are many causes of air pollution. Air pollution is the result of human actions. People are the source of this problem. Factories emit a lot of smoke and fumes into the air. Wastes from industries and power plants pollute the environment. Cars, buses, planes and trains use fossil fuels that pollute the air. They also make very toxic gases in the air. These emissions cause great harm to people. People also use cleaning products and pesticides which cause pollution. Besides, fertilizers and painting supplies release harmful chemicals into the air.

There are many ways to solve the pollution problem. Laws should be imposed. Factories should be built outside the city. We should also build many green areas and gardens. We should use electric or hybrid cars. It's important to plant more trees. We shouldn't cut down trees. We should stop using pesticides. We should use renewable energy like solar energy and wind power. We should check car engines regularly. People should abide to environmental laws. We should raise people's awareness. We should face this problem wisely and seriously. This problem needs much attention and action.

Grade 9 7 - COMPOSITION

"Kuwait has many places of interests and cultural attractions that can motivate tourists from all over the world."

Plan and write a report of **two paragraphs** (not less than 12 sentences) about **"The places of interest in Kuwait" showing the most interesting places and why people visit them.**

NB: (Your writing should include a topic sentences, supporting details and a conclusion)

The places of interest in Kuwait

the most interesting places	why people visit them
1 -Multa Ridge	1 -camping and hiking
2-The House of Mirrors	2-beautiful mirrors
3-Tareq Rajab Museum	3-collection of items
4-National Museum of Kuwait	4- ancient antiquities
