There are different types of birds in this world, small and big, the ones which can fly and the ones that cannot. For example, the ostrich is the largest of the living birds, but it cannot fly. There are also some birds that can talk. The parrot is the most famous one that can talk. Birds' eggs are of different sizes. The size of a bird's egg does not always depend on the size of the bird. It really depends on the food they have. You may think of birds as animals which fly in the air and build nests in trees. But one type of these birds is a bird which spends much of its time in the water and even under water. It is the penguin. It can swim well but it cannot fly.

All of the different kinds of penguins live in the coldest areas of the world. Birds that fly have large feathers on the back of their arms. These make big wings ready for flying. Penguins don't have these flight feathers, so they can't fly.

Writing(قواعد كتابة التعبير)

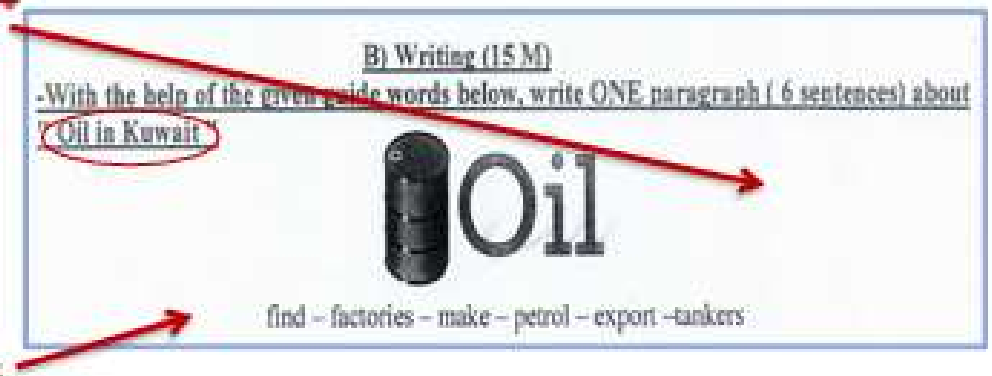

عند دراسة مواضيع التعبير للاختبار نأخذ في عين الاعتبار طريقة رسم المخطط، وعدد الجمل المطلوبة لكل مرحلة، والتعليمات الهامة التي يحاسب عليها الطالب في التعبير:

للصف السادس: 1. لابد من كتابة 6 جمل على شكل فقرة واحدة فقط ، 2. نلتزم بعنوان الموضوع، 3. تراعي الطالبة وجود جملة الفكرة الرئيسية في بداية الفقرة 4. نبدأ كل جملة بحرف كبير capital letter وننهيها بالنقطة full stop .

وفيما يلي مثال وشرح لطريقة كتابة التعبير:

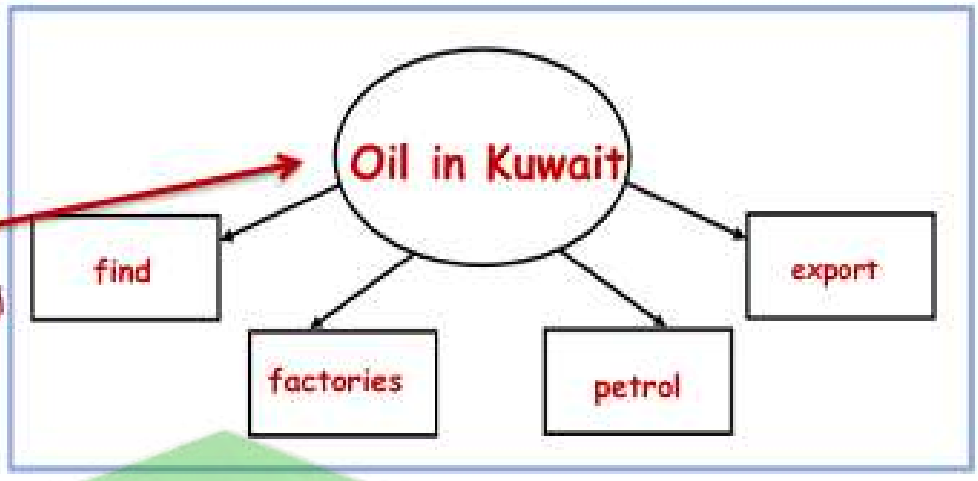

عنوان الموضوع او فكرته الرئيسية تكون بعد كلمة about في رأس السؤال، وهو في هذه الحالة

Oil in Kuwait

نستخدم هذه الكلمات المساعدة في رسم المخطط وكتابة التعبير

رسم المخطط بسيط جداً، فقط نضع عنوان الموضوع في المنتصف ونطلع أربع أسهم أو خمسة ونكتب معها أربع أو خمسة كلمات من الكلمات المساعدة في رأس السؤال

نكتب العنوان

ما ننسى نترك فراغ بسيط في اول سطر في الفقرة

Oil In Kuwait

Oil is very important in our lives. It is black and heavy. It is found underground or under the sea. Oil is taken to the factory in pipelines. Oil is turned to petrol. It is exported in big tankers. Oil makes Kuwait a rich country.

تكتب الطالبة الموضوع على شكل فقرة، وتنهي كل جملة بنقطة ثم تكمل الجملة اللي بعدها على نفس السطر اذا كان في مكان عشان يكون شكلها فقرة. كل ما كانت الجمل بسيطة تقل فيها الأخطاء.

التعبير الأول

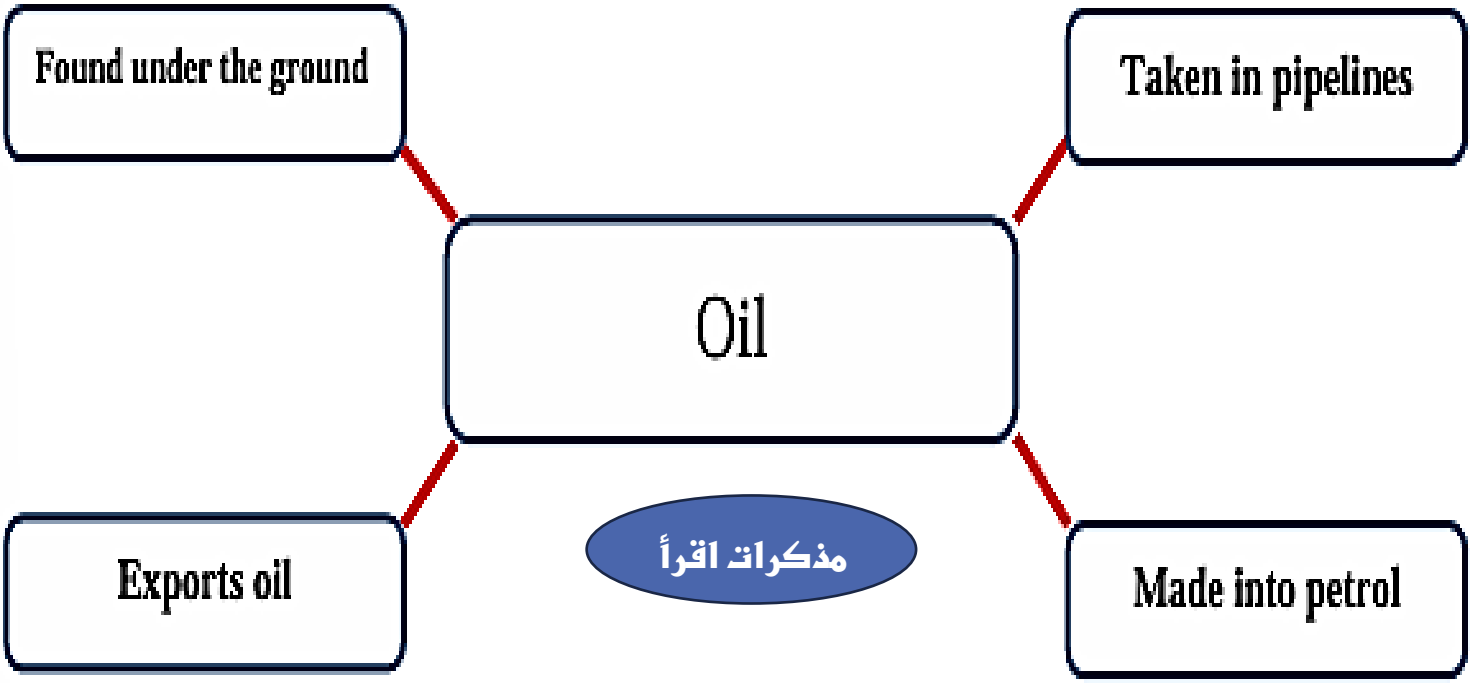

"Kuwait is famous for oil which is very important for all people."

Plan and write a paragraph (not less than 8 sentences) about "Oil"

The following guide words may help you.

Dear Harry,

How are you? My family and I are still in Africa. We left Kenya and we are now touring Tanzania. It's a country in the east of Africa. We are having a great time here. Let me tell you about it. On the first day, we visited the capital city, Dodoma. We went to a restaurant and tasted the local food. It is delicious.

The next day, our guide took us to Arusha National Park. It's in the north of Tanzania and it has many beautiful lakes with different water colours. Here you can watch many kinds of birds around the park. This place is the home for the pink flamingos which crowd around the shores of the Great Momela Lake giving it its special pink colour.

How excited I was to see the giraffes, zebras and elephants. Dad helped me to ride on an elephant. At first, I was scared but then, I enjoyed it because the elephant was nice. That's all about me. Ah, I forgot to tell you that we took a lot of photos in all the places we went to. I'll let you see them when I will be back next week.

Your sincerely,
Oliver
