B) Reading Comprehension (16 marks)

Read the following passage, then answer the questions below:

A tree is a tall plant with a trunk and branches made of wood. Trees can live for many years. The four main parts of a tree are the roots, the trunk, the branches and the leaves. Trees are a part of every living being's life. They are the **provider** of oxygen to the world. They give out oxygen. We need oxygen to breathe and to live. Trees are important because they purify the air. They clean the air from the dust to keep the atmosphere clear and fresh.

Trees are used to make paper, medicine and furniture. People in the village make their food by burning woods. Trees are also the homes for many animals. Also, birds make **their** nests and live there. Trees are a safe place for birds and animals in hot and humid weather. The shadow of trees helps people and animals feel cool in hot sunny days. Trees are so valuable; we should plant more and encourage people to grow more trees on this planet.

B: Reading Comprehension (16 Marks)

Read the following text carefully then answer the question below:

Time is a valuable gift, and we shouldn't waste it. It is like a magic stick that can shape your life. Time is important because it helps you get to your goals and dreams when you use it wisely.

Time helps you grow and learn. It gives you the chance to explore and discover new things. Therefore, you always need to plan to manage your time especially if you have many things to do in a short time. So, you shouldn't waste your time in only playing electronic games or watching television for many hours. Instead, use **it** in playing interesting sports to be fit and healthy. Or practice a useful hobby like painting or planting the garden. Reading is also a good hobby which gives you a lot of information and knowledge. So, it's okay to have fun and play games, but it's also important to find a healthy mix of activities that helps you grow, learn, and have fun successfully.

Always remember that time is **precious** because it is limited. Once it's gone, you can never get it back.
