2nd Quiz Grade 10 Paragraphs 2024- 2025

موضوعات تعبيرالاختبار القصير ـ الصف العاشر – مادة اللغة الإنجليزية ـ الفصل الدراسي الثاني

Unit 7

1- Renewable Energy الطاقة المتجددة **Persuasive** إقناعي

In (6) sentences plan and persuade your friends to use the renewable sources instead of fossil fuel.

Outline

Introductory sentence:

- Can't I persuade you to replace the fossil fuel with the new sources?

Supporting details:

- Clean sources/ reducing pollution\ clean and green\ saving oil

Concluding sentence:

- We should use and invest in renewable energy.

Your topic

Can't I persuade you to replace the fossil fuel with the alternative sources? The alternative sources are like wave, solar and wind power. I strongly believe that we should use alternative sources of energy for different reasons. First, renewable sources of energy are clean, and they surely reduce pollution. Also, they save money. If we don't use alternative sources, oil supply will certainly run out and there will be more pollution. Finally, to get all these benefits, we should use and invest in renewable energy sources.

2- Saving energy توفير الطاقة — Persuasive إقناعي

In (6) sentences persuade your friends to save energy at home and in cars.

Outline

Introductory sentence:

- Can't I persuade you to save energy at home and in cars?

Supporting details:

- save energy at home / using other means/ sharing cars with others \ turning off the lights and A/C

Concluding sentence:

- In short, I think the whole life depends on energy so we should save it.

Your topic

Can't I persuade you to save energy at home and in cars? I strongly believe that we should save energy at home and in cars by some simple ways. First, we should certainly turn off the lights and A/C when not in use. Second, we can use small cars or buses instead of big private cars. Moreover, we can share cars with others. If we don't save energy, we will surely waste both our resources and money. In short, I think the whole life depends on energy so we should save it.

Unit 8

1- Reducing modern technology تقليل استخدام التكنولوجيا الحديثة Persuasive إقناعي

In (6) sentences plan and persuade your schoolmates to reduce using modern technology means as it affects us badly.

Outline

Introductory sentence:

- Can't I persuade you to reduce the use of modern technology as it affects us badly?

Supporting details:

- reduce the use of modern technology \ Leading to obesity and health problems. – Not having time for doing sports.

Concluding sentence:

- In short, we should use the means of technology wisely and to avoid its bad effects.

Your topic

Can't I persuade you to reduce using modern technology as it affects us badly? I strongly believe that we should reduce the use of modern technology as it affects us badly for some simple reasons. First, overusing modern technology certainly leads to obesity and health problems. Second, it surely wastes our time and money. If we don't reduce the use of modern technology, we won't get time for doin g sports and other useful activities. In short, we should use means of technology wisely and carefully to avoid its bad effects.

2- Using modern technology استخدام التكنولوجيا الحديثة Persuasive إقناعي

In (6) sentences plan and persuade your colleagues to use modern technology.

Outline

Introductory sentence:

- Can't I persuade you to use modern technology means in all aspects of life?

Supporting details:

- Making our life easier and faster\ comfortable life \ achieving progress

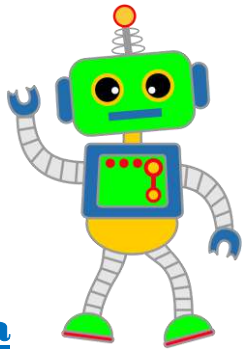

Concluding sentence:

- In short, we should use the means of technology wisely and to avoid its bad effects.

Your topic

Can't I persuade you to use modern technology means in all aspects of life? I strongly believe that we should use modern technology as it has some benefits. First, modern technology certainly makes our life easier and helps us to understand the world we live in. Second, it's surely the easiest way of communication making the world a small village. If we don't use modern technology in our life, we won't be able to achieve any scientific progress. In short, we should use modern technology to make our life safer and more comfortable.
