الخط الأفقي

Handwriting practice sheet for horizontal lines. The page features a grid with four rows of dashed lines. The top row includes two red arrows pointing left, indicating the direction of the stroke. To the right of the grid are four cartoon snail illustrations, each corresponding to a row of dashed lines.

الخط الرأسى

A handwriting practice grid for the Arabic letter 'Alif' (ألف). The grid consists of 15 vertical columns and 10 horizontal rows. Each column contains a dashed vertical line for tracing. The first two columns are empty. The third column has a red arrow pointing downwards, indicating the direction of the stroke. The fourth column has a spider illustration hanging from a vertical line. The fifth column has a red arrow pointing downwards. The sixth column has a spider illustration hanging from a vertical line. The seventh column has a red arrow pointing downwards. The eighth column has a spider illustration hanging from a vertical line. The ninth column has a red arrow pointing downwards. The tenth column has a spider illustration hanging from a vertical line. The eleventh column has a red arrow pointing downwards. The twelfth column has a spider illustration hanging from a vertical line. The thirteenth column has a red arrow pointing downwards. The fourteenth column has a spider illustration hanging from a vertical line. The fifteenth column has a red arrow pointing downwards.
