## Reading Comprehension

**Read the following passage then answer the questions below:**

Camels live in the desert, where it is hot and dry. They have thick hair that **protects** them from the heat of the sun in summer and the cold weather in winter. They have wide, soft feet that help the camel to walk a long time in the hot sand.

The camel is called; "The ship of the desert." because it can live for days in the desert without food or water. It has a long neck to reach high palm trees. Camels live in groups, with one male, several females, and their young are called calves.

In the desert, people feed camels with grass. When camels are travelling in the desert, food is often very hard to find. If there is not any food or lack of food, **they** can adapt and help themselves well. People have been using camels for about 5000 years.
