Reading Comprehension

Read the following passage , then answer the questions below :

Money has two types; paper money, which is made of special paper and coins which are made of metal. Money is very important in our life. Parents can spend it to buy everything that their children need. They can buy food, drinks, clothes, furniture and cars. They can also use it to travel around the world.

People earn money by working . You can earn money even if you are a child. You can paint a picture, make a card or design a poster and sell them to people. Then, you can use the money you earned to buy all your needs. Also, you can save it in the bank.

Money can be a blessing *نعمة* if we use it in a good way. It can also be a **curse** if we use it in wars or to hurt others. In fact, money is not everything in life. Money cannot buy happiness or health. There are many people who have little money but still they live a happy and healthy life.

"Reading Comprehension"

Read the following passage and then answer the questions below:

My mother likes cooking .She usually spends most of her time in the kitchen and my sister sometimes helps her. Last Monday, my mother was frying some fish when she heard the door bell ringing. She went to open the door and left my sister, Amina, in the Kitchen. She was washing the dishes .It was my father who came to home from work and forgot his keys in the car as he usually does. When my mother returned to the kitchen, she found the oil in the pan burning. My sister was frightened and she was crying as she did not know what to do in that situation .

The kitchen was full of smoke. Very quickly, my father covered the pan with a big piece of cloth, and then he opened all the windows because there was a lot of smoke everywhere. Luckily, we were all safe, but we did not have any fish for lunch as we always did every Monday . We all learned to be careful when working in the kitchen.
