Second Term

Quiz (1)

Read the following passage then answer the questions

Helen packed a small suitcase and hurried out of the house to catch the bus to the station. It was already two o'clock. Her train leaves at two-thirty, and since it would take at least twenty minutes to reach the station, she did not have much time to spare. Just then a taxi came slowly down the road. Helen stopped the taxi and got in. She told the driver that she had to catch a train which leaves at two-thirty. Suddenly the taxi made an accident. She was wondering what to do when a bus came into sight, going in the direction of the station. She ran towards the bus. The bus conductor saw her running, so he did not ring the bell for the bus to start until she had got on. Helen reached the station just in time and managed to catch her train after all.

Choose the correct answer

1- Helen hurried out of the house to catch .....

a- Plane b- train c- bus d- taxi

2- The ..... saw Helen running and helped her catch her train.

a- driver b- conductor c- policeman d- doorman

b-

answer the following question

3- How long does it take to reach the station?

Quiz (2)

Read the following passage then answer the questions

A robot is a special invention. It can walk and talk. It follows orders from a computer. It does not make mistakes. Robots do not get tired or bored. They are very useful because they can work all day in different places without money or food. Scientists in Japan built a" friendly robot". They made it to help and serve people in a caring and clever way. It looks like a man. It has got two eyes that could recognise faces. It knows about 10,000 words and can use them to talk to people about the weather and other subjects. It can help you at home. Also, it can send emails and messages.

From a, b, c and d choose the correct answer:

1- Robots follow orders from ……..

a. phones b. computers

c. people d. teachers

2- The new robot looks like ……..

a. machine b. man

c. fridge d. computers

Answer the following questions:

1-How many words does the robot know?

It knows about 10.000 words.

2-Why are robots very useful?

Because they can work all day in different places without money or food.

Quiz (3)

Read the following passage then answer the questions

The Japanese are very polite and active people. They work hard. They don't sit on chairs when they eat, they kneel on the floor. They don't use knives, forks, or spoons. They use wooden chopsticks. Their favourite food is raw fish and rice. The Japanese writing is very strange because it has no alphabet as in Arabic or English. It has a system of pictures, and their writing goes from top to bottom. Japan is a good model of a modern country.".

A) Choose the correct answer from a, b, c and d:

1-The Japanese are very …….people

a- Active b- lazy c- late d- brave

2-Japanese use …….while eating.

a- spoons b- forks c- chopsticks d- pencils

3- The underlined word (**kneel**) means

a- stand b- sit c- sleep d- jump

B) Answer the following questions:

1- How do Japanese sit?

They kneel on the floor.

2- Why is the Japanese writing strange?

Because it has no alphabet as in Arabic or English. It has a system of pictures.
