a-eaten b-ate c-eats d-eating

B) Do as shown between brackets:

6. He already (
- write**
-) his homework.
- (Correct the verb)**

.....

7. They have already been to London.
- (Make negative)**

.....

8. Yes, I have already done my homework.
- (Ask a question)**

.....

Reading comprehension / 1**Read the following text carefully, then answer the questions below:**

Cleanliness is important in protecting us from dirtiness. Much dirtiness of the stomach passes from one person to another because of bad purification and your own cleanliness. You should always wash your hands before a meal.

You should bathe more often in hot weather or when you have been running or in the gym. You ought to be very careful about the food you eat and the water you drink. Make sure that flies and other insects don't land on your food. Insects eat dirt and there are germs in dirt. When insects land on your food, they may pass their germs on to you.

You mustn't leave pieces of food or dirty dishes lying around because they will attract flies. You can **protect** food from flies and germs by covering it. You should always boil water before you drink it. Finally, you must never eat dishes that smell bad because **they** may be poisonous.

a) Choose the suitable answer from a, b, c and d :

1. The **best title** for the text could be:

- a) Running
- b) Hot Weather
- c) Dirtiness
- d) Cleanliness

2. The underlined word "**protect**" the **3rd** paragraph means:

- a) keep
- b) attract
- c) drink
- d) smell

3. The underlined pronoun “ **they**” in the 3rd paragraph refers to:

- a) flies
- b) germs
- c) dishes
- d) pieces

4. Why mustn't you eat food that smells bad?

- a) Because we should wash our hands.
- b) Because it may be poisonous.
- c) Because insects are healthy.
- d) Because germs and insects are good.

5. What should you do in hot weather?

- a) You should bathe everyday.
- b) You never wash your hands before a meal
- c) You should always boil water before you drink it
- d) You can leave pieces of food or dirty dishes lying around

6- The **purpose of the writer** in this text is to:

- a) inform us about his life
- b) tell us about food and drinks
- c) compare germs and insects
- b) explain the importance of being clean

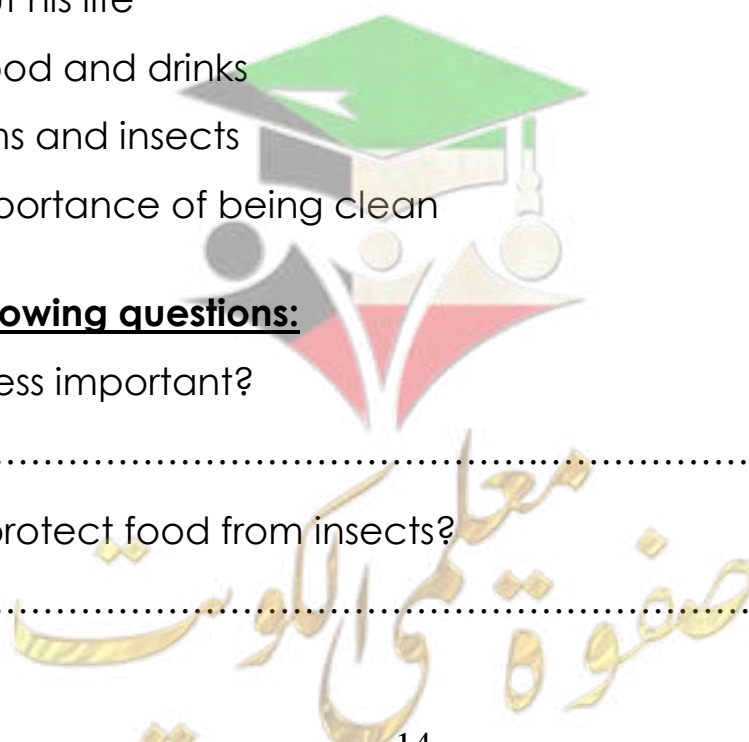

b) Answer the following questions:

7. Why is cleanliness important?

.....

8. How can you protect food from insects?

.....

I. Reading comprehension/2

Read the following text, then answer the questions below:

Scientists have been inventing things for years. Those inventions have made life easy and simple. Life is better and more comfortable than before. In the past, people lived a **hard** life. There weren't any air conditioners to keep their homes cool in summer or to keep them warm in winter. There were no washing machines or fridges. Before inventing the plane, most people travelled by cars, boats, and trains. Today, airplanes help people travel long distances faster and easier.

Before inventing the telephone, people communicated by writing letters or talking to each other face-to-face. Today, they can send messages using mobiles. They can chat with other people all over the world through the Internet. Computers have made it easy for people to get information, do research, play games, or take photos. The Internet has made the world as a small village. **It** is useful and harmful at the same time.

A) Choose the correct word from a, b, c and d:

1. The **best title** for the text could be:

- a) Great Inventions
- b) Famous People
- c) Computers
- d) Science

2. The **opposite** of the underlined word "**hard**" in the **1st** paragraph is :

- a) easy
- b) expensive
- c) difficult
- d) harmful

3. The underlined pronoun "it" in the 2nd paragraph refers to the:

- a) world
- b) village
- c) Internet
- d) information

4. Nowadays people can travel long distances faster and easier by:

- a) trains
- b) airplanes
- c) boats
- d) cars

5. Modern inventions are very important because they:

- a) keep our houses very hot.
- b) help people enjoy traditional games.
- c) make travelling from one place to another slower.
- d) make life better and more comfortable than before.

6. The **purpose of the writer** in writing this text is to:

- a) show that scientists waste their time.
- b) tell us that inventions make our life difficult.
- c) convince us that life is very hard.
- d) explain how inventions make our life easy.

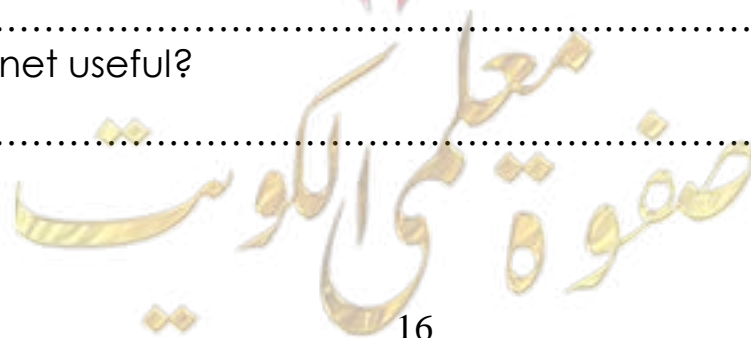

B) Answer the following questions:

7. How did people communicate in the past?

.....

8. Why is the Internet useful?

.....

B) Reading Comprehension (16 Marks)**Read the following text, then answer the questions below:**

Wilbur Wright was born in 1867 and his brother Orville in 1871. Both brothers were good pupils but because of problems at home, they did not finish high school. They learned by reading many books in their house and they used to ask questions about whatever they thought was interesting.

As they were **bright** mechanics, they decided to open a bicycle shop to sell and repair bicycles. In their free time they first built kites. The brothers' dream was to build the first engine-powered flying machine. They designed and built their own engines and fans. Then **they** did many experiments until the historical date of December 17, 1903, on which Orville was the first person to fly an airplane called "Flyer 1". The flight lasted only 12 seconds and covered just 120 feet.

In 1909, the brothers opened a factory to make aircrafts. Unfortunately, Wilbur died in 1912. He did not live long enough to see how planes improved, but Orville lived till 1948 and saw how the airplane changed the world and our lives.

A) Choose the correct answer from a, b, c and d: (6 x 2 = 12 Marks)

9-What is the best title of this text?

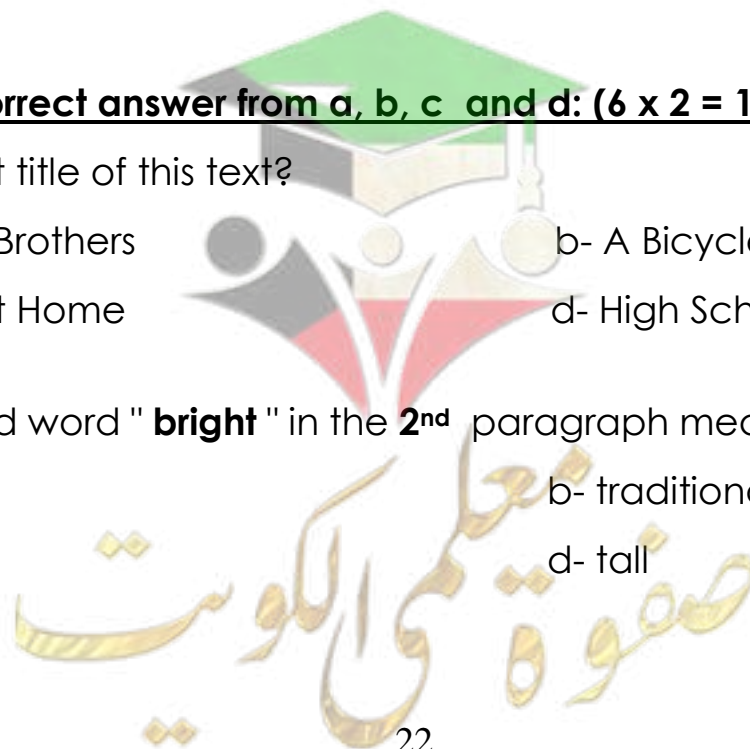

- a- The Wright Brothers
- c- Problems at Home

- b- A Bicycle Shop
- d- High School Boys

10- The underlined word "**bright**" in the 2nd paragraph means:

- a- big
- c- smart

- b- traditional
- d- tall

11-The underlined word " **They** " in the **2nd** paragraph refers to:

- a- brothers
- b- bicycles
- c-engines
- d- kites

12- According to the text, the Wright brothers continued learning by:

- a- going to school.
- b- inventing machines.
- c- studying in the factory.
- d- reading books and asking questions.

13-According to the text all the following statements are **NOT TRUE EXCEPT**:

- a- Both brothers were born in the same year.
- b- The Wright brothers finished high school.
- c- The Wright brothers didn't use to repair bicycles.
- d- The Wright brothers did a lot of experiments.

14- What is the main **purpose of the writer** in this text?

- a- To teach us how to design airplanes.
- b- To talk about the Wright brothers' shop.
- c- To advise us to open a bicycle repairing shop.
- d- To inform us about how the Wright brothers worked on airplanes.

B) Answer the following questions: (2 x 2 = 4 Marks)

15- What was the name of the first airplane the Wright brothers invented?

.....

16- When did the Wright brothers open their own factory for aircrafts?

.....

II. Grammar (14 Marks)**a- Choose the correct answer from a, b, c and d: (4 × 2 = 8 Marks)**

17- The boys are playing in the backyard,?
