Happiness

Happiness is a good feeling. It is important. It is good for health. Happy people recover fast. They are helpful. They live in peace.

Family makes us happy. Money makes us happy. Shopping makes us happy. Happiness helps us to study hard. It makes our life better. We should be happy.

Festivals

Festivals are important. They are nice time. They are time to relax. They are time to enjoy. They make us happy. I like festivals.

We do many things. We march in the streets. We wave flags. We sing songs. We go shopping. We meet our friends.

Lazy كسول

Sweets حلوي

An intelligent animal (My favourite animal)

I like animals. Ants are clever. They work hard. They collect food. The octopus can play games. Bees are useful.

Animals help us. My favourite animal is the horse. It is smart. It is fast. It understands us. We should treat animals well.
